

Fundraiser/ Bake Sale organized by students of BE- Software Engineering

The final year students of Software Engineering arranged a fundraiser/ Bake Sale as a farewell gesture on Friday, June 28th, 2019 under the supervision of their class Advisor, Dr. Raheela Asif. The Bake Sale was inaugurated by Computer Software Engineering, Dr. Najmi Ghani Haider. The activity was arranged in the bench area of computer labs block.

The Bake Sale had some food items and mind games. Large number of students from various departments visited the food and game stalls. Students were able to generate funds of Rs 23,000, out of which 20,000 will be denoted in cash and gifts of Rs. 3000 will be purchased to distribute among children (patients).

A group of 10 people including department's chairman, BE-SE class advisor and few students will visit AMTF to donate the collected funds and give gifts to the children suffering from thalassaemia.
